State Road 100 through Starke to be Detoured Tuesday and Wednesday Nights of Next Week

STARKE, Fla. – As part of the Florida Department of Transportation’s Starke Railroad Overpass Interchange Improvements project, State Road 100 between U.S. 301/Temple Avenue and Water Street will be detoured overnight Tuesday, September 13 and Wednesday, September 14 to allow for beam placements. The roadway will close at 8 p.m. each night and reopen by 6 a.m. the following day.

As shown in the map below, drivers attempting to travel eastbound on State Road 100 will be detoured onto southbound U.S. 301, then left onto SE 144th Avenue (Hazen Street) to rejoin State Road 100.

Drivers attempting to travel westbound on State Road 100 will be detoured left onto SE 144th Street (Hazen Street), right onto U.S. 301 and then turn left to rejoin State Road 100. State Road 100 between SE 144th Street and Water Street will remain open to local traffic.

FDOT hired J.B. Coxwell Contracting to complete this \$23.6 million project in summer 2023, weather and unforeseen circumstances permitting.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.

A crash can occur at any moment. Whether you are traveling one mile or one thousand miles, the driver of a motor vehicle and all passengers should always wear a seatbelt. Children ages 0 through 3 must be in child restraint. Kids ages 4 through 5 must be in a separate carrier, integrated child seat or booster seat. Let's get everyone home safe.
