State Road 230 Marking Operations Scheduled May 7-10

STARKE, Fla. – As part of the Florida Department of Transportation's Starke Railroad Overpass Interchange Improvements project, final pavement marking operations will take place on Call Street (State Road 230) between U.S. 301 and St. Clair Street overnight on Sunday, May 7, during the day on Monday, May 8 and overnight Tuesday, May 9, weather and unforeseen circumstances permitting. During operations, drivers should expect intermittent, one block, single-lane closures with flaggers present.

FDOT hired J.B. Coxwell Contracting to complete this \$23.6 million project in summer 2023, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com).

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
