Traffic Shift on I-295 Eastbound and I-95 Interchange Starts Sunday

JACKSONVILLE, Fla. – FDOT will shift traffic on lanes of I-295 eastbound before the I-95 interchange Sunday, March 12 at 10 p.m. as part of the new phase of construction activities on the I-95/I-295 North Interchange Operational Improvements Project.

As shown in the map below, drivers on I-295 eastbound attempting to merge onto I-95 northbound will shift into the left lane to access I-95 northbound at the original location.

Drivers attempting to merge onto I-95 southbound will stay right to continue east to the I-95 interchange.

This shift is one of several scheduled over the next few months as FDOT transitions into a new phase of construction on the critical interchange updates. The interchange upgrades are part of an important effort to promote economic growth and development in the region.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
