Traffic to Shift to New Ramp from Kernan Boulevard to Eastbound Butler Boulevard Wednesday Night

JACKSONVILLE, Fla. – As part of the ongoing interchange improvement and project at J.T. Butler Boulevard (State Road 202) and Kernan Boulevard, traffic is expected to shift to a new ramp from Kernan Boulevard to eastbound Butler Boulevard overnight on Wednesday, June 14.

The new ramp and signalized intersection are expected to open to traffic at approximately 12:01 a.m. Thursday, June 15. Drivers should use additional caution as they navigate the new configuration.

FDOT hired J.B. Coxwell Contracting to complete the \$17.1 million project, which includes construction of a partial cloverleaf interchange, adding capacity to on- and off-ramps, milling and resurfacing of existing pavement, roadway lighting improvements, construction of ponds and other drainage improvements and installation of new signage and mast arm signals. The project is estimated for completion in late 2024, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](https://www.nflroads.com). Drivers seeking real-time traffic alerts may visit www.FL511.com or download the FL511 app.
