## Travel Advisory: State Road 200 Lane Closure Schedule

**Yulee, Fla.** – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit: [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

Drivers can also set up real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit [www.FL511.com](http://www.FL511.com) or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for February 7 through February 13. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

### **Notable Impact to Traffic:**

The Florida Department of Transportation (FDOT) will temporarily close Wildlight Avenue at State Road (SR) 200 Sunday night, February 9 through Wednesday, February 19 for concrete paving operations. During the detour Floco Avenue and Daydream Avenue will be restricted to right turn, entrance only traffic.

This detour will not impact traffic traveling straight through on State Road 200/A1A but may inconvenience drivers at the intersection of William Burgess Boulevard and Wildlight Avenue. A map of the detours is on the second page of this report.

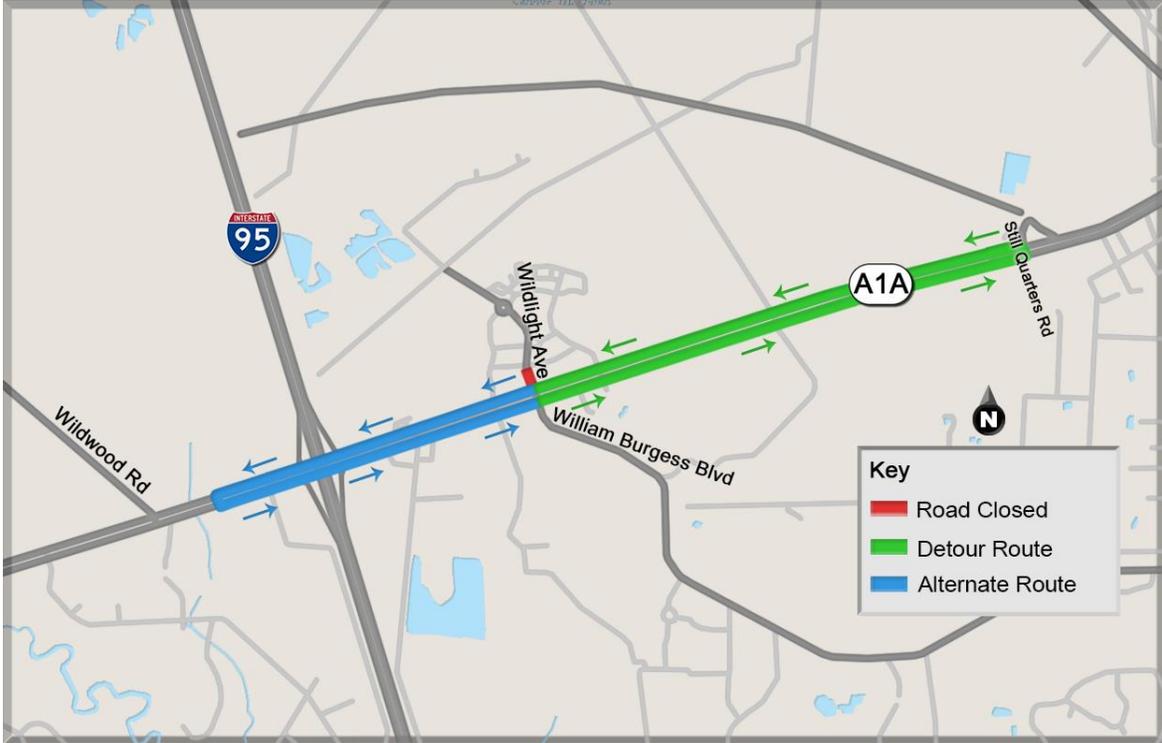

### **Daytime lane traffic impacts:**

**Interstate 95:** None at this time.

### **State Road 200:**

- The westbound right lane of State Road 200 from Meadowfield Bluffs Road to Peoples Road is expected to be closed Saturday, February 8 from 7 a.m. to 5 p.m.
- The westbound right lane of State Road 200 from east of the I-95 northbound on-ramp to west of I-95 southbound off-ramp is expected to be closed Saturday, February 8 from 7 a.m. to 5:30 p.m.

**Nighttime traffic impacts:** None at this time.
