Travel Advisory: State Road 200 Lane Closure Schedule

Yulee, Fla. – This advisory is to inform community leaders and interested parties about upcoming scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit www.NFLRoads.com/TrafficReport.

Drivers can also set up real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit www.FL511.com or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A improvement projects. Below are several lane closures planned for August 28 through September 4 weather permitting. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

Notable: FDOT will soon start implementing the first phase of the new Diverging Diamond Interchange at Interstate 95 and State Road 200. This innovative design will reduce traffic congestion and risk for accidents. To see how it works visit www.nflroads.com/DDI

Daytime lane closures:

Interstate 95:

- The northbound inside lane of I-95 from one mile south of the State Road 200 off-ramp is expected to be closed Monday, August 31 through Thursday, September 3 from 9:30 a.m. to 3:30 p.m. No ramps will be impacted.

State Road 200:

- Alternating lane closures will take place in both directions of State Road 200 from Rubin Davis Lane to O'Neil Scott Road on Saturday, August 29 from 6 a.m. to 6 p.m. Only one lane will be closed throughout operations.
