A detour will take place overnight on eastbound State Road A1A/State Road 200 from Pages Dairy Road to Felmor Road Friday, April 3 and Saturday, April 4 from 11 p.m. to 6 a.m. in order for crews to install a drainage pipe. A map of the detour is enclosed.

This overnight detour will allow construction crews to install a drainage pipe across State Road A1A/State Road 200 near Rubin Davis Lane. This detour will not impact drivers traveling westbound on State Road A1A/State Road 200.

Drivers attempting to travel eastbound on State Road 200 between US 17 and Rubin Davis Lane will be detoured onto northbound U.S. 17, right onto Pages Dairy Road and right onto Felmor Road where they can rejoin eastbound State Road A1A/State Road 200.

Crews will also shift traffic onto new eastbound lanes on State Road 200 between David Hallman Road and Old Nassauville Road beginning Friday, April 3 at 9 p.m. through Saturday, April 4. Drivers are encouraged to plan ahead.
