### **Travel Advisory: State Road 200 Lane Closure Schedule**

**Yulee, Fla.** – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit: [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

Drivers can also setup real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit [www.FL511.com](http://www.FL511.com) or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for August 3 through August 8. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

#### **Daytime lane closures:**

##### **Interstate 95:**

- The inside, southbound travel lane of Interstate 95 near exit 373 is expected to be closed daily from 9 a.m. until 3:30 p.m. Monday, August 5 through Thursday, August 8. The interstate ramps will not be impacted.

##### **State Road 200:**

- The westbound left lane of S.R. 200 will be closed from Meadowfield Bluffs Road to Peoples Road Saturday, August 3 from 7 a.m. until 5 p.m.
- The eastbound left lane of S.R. 200 will be closed from Meadowfield Bluffs Road to Peoples Road Saturday, August 3 from 7 a.m. until 5 p.m.
- The southbound right lane of Felmor Road at S.R. 200 will be closed Saturday, August 3 from 7 a.m. until 5 p.m.

#### **Nighttime lane closures:**

##### **Interstate 95:**

- Southbound Interstate 95 lane closures are expected near exit 373 nightly, from 7 p.m. until 5:30 a.m. Sunday, August 4 through Thursday, August 8. The work is associated with the Interstate median and Interstate inside shoulder. Note: this activity

may require multi-lane closures on Interstate 95. The Interstate ramps will not be impacted.

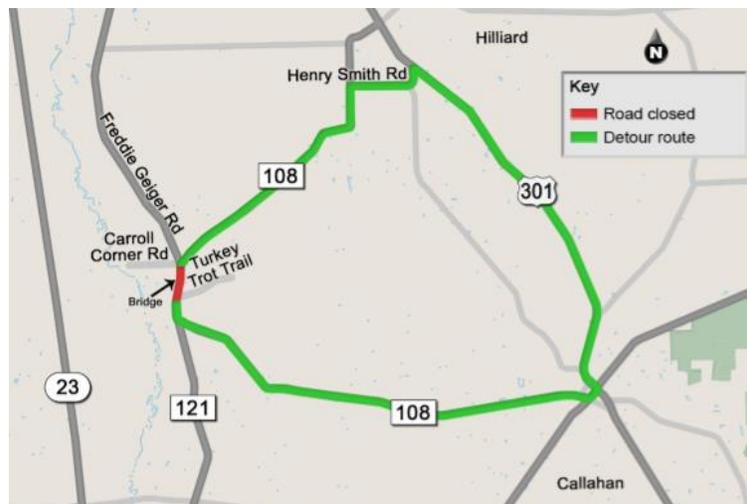

**State Road 200:**

- There are no expected nighttime lane closures on S.R. 200 at this time.

**Nassau County Advisory:** While unrelated to the S.R. 200 corridor, interested parties may appreciate the following information:

The Florida Department of Transportation is scheduled to temporarily close a portion of County Road 121/Baldwin and Saint George Road between Turkey Trot Trail and Carroll Corner Road on August 12, weather and unforeseen circumstances permitting.

The closure will be in place until rehabilitation work is completed on a bridge culvert damaged from erosion. Northbound and southbound drivers on County Road 121 will detour to U.S. 301 via County Road 108 and Henry Smith Road. More information about this project can be found by visiting [www.NFLRoads.com](http://www.NFLRoads.com).

*Detour map of Nassau County bridge repair (work performed by FDOT)*

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.
