Travel Advisory: State Road 200 Lane Closure Schedule

Yulee, Fla. – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit: www.NFLRoads.com/TrafficReport.

Drivers can also setup real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit www.FL511.com or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for August 9 through August 16. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

Daytime lane closures:

Interstate 95:

- The inside, southbound travel lane of Interstate 95 near exit 373 is expected to be closed daily from 9 a.m. until 3:30 p.m. Monday, August 12 through Thursday, August 15. The interstate ramps will not be impacted.

State Road 200:

- The westbound left lane of S.R. 200 will be closed from Meadowfield Bluffs Road to Peoples Road Saturday, August 10 from 7 a.m. until 5 p.m.

Nighttime lane closures:

Interstate 95:

- Southbound Interstate 95 lane closures are expected near exit 373 nightly, from 7 p.m. until 5:30 a.m. Sunday, August 11 through Thursday, August 15. The work is associated with the Interstate median and Interstate inside shoulder. Note: this activity may require multi-lane closures on Interstate 95. The Interstate ramps will not be impacted.

State Road 200:

- The westbound right lane of S.R. 200 will be closed from David Hallman Parkway to Eric Oliver Way, nightly Monday, August 12 through Friday, August 16 from 9 p.m. until 6 a.m.
- The eastbound left turn lane of S.R. 200 onto Chester Road will be closed nightly Monday, August 12 through Friday, August 16 from 9 p.m. until 6 a.m.
- The eastbound right lane from Rubin Davis Lane to Harry Green Road will be closed nightly Tuesday, August 13 and Wednesday, August 14 from 9 p.m. until 6 a.m.

Chester Road:

- The southbound right lane of Chester Road from S.R. 200 to David Hallman Parkway will be closed August 14 from 9 p.m. until 6 a.m.
- The northbound lane of Chester Road from S.R. 200 to David Hallman Parkway will be closed nightly Thursday, August 15 and Friday, August 16 from 9 p.m. to 6 a.m.

Nassau County Advisory: While unrelated to the S.R. 200 corridor, interested parties may appreciate the following information:

The Florida Department of Transportation is scheduled to temporarily close a portion of County Road 121/Baldwin and Saint George Road between Turkey Trot Trail and Carroll Corner Road on August 12, weather and unforeseen circumstances permitting.

The closure will be in place until rehabilitation work is completed on a bridge culvert damaged from erosion. Northbound and southbound drivers on County Road 121 will detour to U.S. 301 via County Road 108 and Henry Smith Road. More information about this project can be found by visiting www.NFLRoads.com.

Detour map of Nassau County bridge repair (work performed by FDOT)

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.
