### Travel Advisory: State Road 200 Lane Closure Schedule

**JACKSONVILLE, Fla.** – This advisory is to inform community leaders and interested parties about upcoming scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A improvement projects. Below are several lane closures planned for November 13 through November 20, weather permitting. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

**Notable:** Northeast Florida's first diverging diamond interchange is expected to be implemented this weekend at I-95 and State Road 200/A1A. In an effort to educate drivers on what to expect driving through the interchange, the Florida Department of Transportation has released [this video](#) explaining the interchange.

#### Daytime lane closures

**State Road 200:** Lane closures are expected during the daytime hours of Sunday, November 15 at SR 200 and I-95 as crews implement the Diverging Diamond Interchange. Drivers should use caution and plan ahead.

#### Nighttime lane closures

##### Interstate 95:

- The northbound and southbound travel lanes of I-95 near the State Road 200 exit are expected to be closed Sunday, November 15 through Thursday, November 19 from 7 p.m. to 5:30 a.m. This is an alternating closure with only one lane closed at a time.

##### State Road 200:

- Both directions of S.R. 200/A1A underneath I-95 will be closed beginning at 9 p.m. on Saturday, November 14, through 7 a.m. Sunday, November 15, for

striping activities. Drivers will use I-95 and follow detour routes during the closure. Traffic will be reopened in the diverging diamond configuration, weather and unforeseen circumstances permitting. Detour maps are below for convenience.

- The eastbound right or left lane of State Road 200 Harper Chapel Road to Still Quarters Road is expected to be closed Sunday, November 15 through Thursday, November 19 from 9 p.m. to 6 a.m. This is an alternating closure with only one lane closed at a time.
- The eastbound and westbound right or left lane of State Road 200 from Dove Road to Still Quarters Road is expected to be closed Sunday, November 15 through Tuesday, November 17 from 9 p.m. to 6 a.m. for asphalt paving on the east end of the project. This is an alternating closure with only one lane closed at time.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
