**Nassau County Advisory:** While unrelated to the S.R. 200 corridor, interested parties may appreciate the following information:

The Florida Department of Transportation is scheduled to temporarily close a portion of County Road 121/Baldwin and Saint George Road between Turkey Trot Trail and Carroll Corner Road in mid-July 2019. The closure will be in place until rehabilitation work is completed on a bridge culvert damaged from erosion. Northbound and southbound drivers on County Road 121 will detour to U.S. 301 via County Road 108 and Henry Smith Road. More information about this project can be found by visiting [www.NFLRoads.com](http://www.NFLRoads.com).

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.
