## Travel Advisory: State Road 200 Lane Closure Schedule

**Yulee, Fla.** – This advisory is to inform community leaders and interested parties about upcoming, scheduled lane closures, traffic shifts and other construction activity on State Road 200/A1A. For a complete list of scheduled lane closures in northeast Florida, interested parties may visit: [www.NFLRoads.com/TrafficReport](http://www.NFLRoads.com/TrafficReport).

Drivers can also setup real-time traffic alerts from FL511, a free service offered by the Florida Department of Transportation (FDOT). Motorists can visit [www.FL511.com](http://www.FL511.com) or call #511 for this up-to-date information.

The Florida Department of Transportation has permitted multiple lane closures as part of the State Road 200/A1A (S.R. 200) improvement projects. Below are several planned lane closures, weather permitting, planned for June 21 through June 28. Certain activities may require unexpected lane closures for the safety of both drivers and construction workers.

**Notable:** A detour planned for the Northbound I-95 ramp to State Road 200 is scheduled for Monday, June 24 from 9 p.m. to 5 a.m. Signage has recently been placed along the roadway to alert motorists of the expected detour. The detour route will divert traffic the next Interstate exit, U.S. 17, to travel south to S.R. 200. The detour is necessary for crews to install an overhead sign structure. More detailed information is included below.

A traffic shift is expected to take place on State Road 200 near Lofton Creek within the next 30 days, weather and schedule permitting. An additional press release will be distributed once the traffic shift dates are finalized.

### **Daytime lane closures:**

#### **Interstate 95:**

- The inside, southbound travel lane of I-95 near exit 373 is expected to be closed daily from 9 a.m. until 3:30 p.m. Monday, June 24 through Thursday, June 27. The interstate ramps will not be impacted.
- The inside, northbound travel lane of I-95 near exit 373 is expected to be closed daily from 9 a.m. until 3:30 p.m. Monday, June 24 through Thursday, June 27. The interstate ramps will not be impacted.
- *Unrelated to S.R. 200 work:* Northbound I-95 at the Nassau County line will experience single lane closures from 9:30 a.m. to 3:30 p.m. Monday, June 24 through Friday, June 28. This work is related to bridge maintenance.

**State Road 200:**

- There are no daytime lane closures scheduled at this time.

**Nighttime lane closures:****Interstate 95:**

- The northbound I-95 ramp to S.R. 200 will be detoured Monday night, June 24 from 9 p.m. until 5 a.m. The closure is necessary for crews to install an overhead sign structure.

**State Road 200:**

- The westbound right turn lane of S.R. 200 from David Hallway Parkway to Chester Road will be closed Monday, June 24 and Tuesday, June 25 from 9 p.m. to 6 a.m.
- The eastbound left turn lane of S.R. 200 onto Chester Road will be closed Monday, June 24 and Tuesday, June 25 from 9 p.m. to 6 a.m.
- The westbound right lane of S.R. 200 from Harry Green Road to Yanie Road will be closed nightly, Monday, June 24 through Thursday, June 27 from 9 p.m. to 6 a.m.
- The eastbound left turnlane of S.R. 200 onto Felmor Road will be closed nightly Monday, June 24 through Thursday, June 27 from 9 p.m. to 6 a.m.
- The westbound right lane of S.R. 200 from Meadowfield Bluffs Road to Rubin Davis Lane will be closed Friday, June 28 from 9 p.m. until 6 p.m.

**Felmor Road:**

- The southbound lane and left turn lane of Felmor Road at S.R. 200 will be closed nightly Monday, June 24 through Thursday, June 27 from 9 p.m. to 6 a.m.
- The northbound lane of Felmor Road at S.R. 200 will be closed nightly, Tuesday, June 25 through Thursday, June 27 from 9 p.m. to 6 a.m.

**Northbound I-95 ramp to S.R. 200 to see detour Monday night**

The northbound I-95 ramp to State Road (S.R.) 200, exit 373, will be detoured Monday night, June 24 from 9 p.m. to 5 a.m., weather and schedule permitting. The detour is necessary for crews to install an overhead sign structure. Once the structure is installed the ramp will reopen.

Drivers will be detoured north on I-95 to U.S. 17, exit 380, and travel south to reconnect with State Road 200. A map of the detour is below.

Throughout construction, drivers are encouraged to plan ahead, use caution and follow the speed limit. Construction is a temporary inconvenience toward a more permanent transportation solution.
