U.S. 17 to Close Wednesday Morning for Utility Work

CLAY COUNTY, Fla. – Southbound U.S. 17 south of County Road 209 will close at 8:30 a.m. Wednesday, June 16 to allow Clay Electric crews to install a new concrete utility pole. The closure will remain in place until concrete work is completed and new electric lines have been installed.

During the closure, motorists traveling on U.S. 17 will be detoured approximately three miles via County Road 209S and Bayard Road as shown in the map below. Drivers should expect delays and avoid the area if possible.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
