## U.S. 301 Resurfacing Project to Begin This Week

**STARKE, Fla.** – Construction on a project to resurface U.S. 301 (State Road 200) from the Alachua County Line to County Road 100A begins this week.

Anderson Columbia Co., Inc was selected to complete this project which consists of milling and resurfacing, base work, shoulder treatment, drainage improvements, traffic signal and highway signing installation, guardrail, sidewalk/bicycle path work, and other incidental construction on U.S. 301 (State Road 200) from the Alachua County Line to County Road 100A in Bradford County.

Traffic will be maintained in accordance with FDOT design standards throughout the project. There will be no northbound State Road 200 lane closures from 6 a.m. to 7 p.m. Monday through Friday. There will be no southbound lane closures from 5 a.m. to 9 p.m. Monday through Friday.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on X (formerly known as Twitter) or at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
