*****UPDATE*** I-95 South Detour Postponed, I-95 North Detour Near Downtown Remains on Schedule for Tomorrow Night**

JACKSONVILLE, Fla. – As part of bridge construction activities for the Florida Department of Transportation’s I-10/I-95 Operational Improvements project, a detour of I-95 north at the Fuller Warren Bridge is scheduled for tomorrow night. The I-95 south detour previously scheduled for tonight has been postponed until further notice.

I-95 North Detour: Saturday, July 17 from 11 p.m. to 8:30 a.m., I-95 north will be detoured between Emerson Street and Forest Street, weather and unforeseen circumstances permitting. Drivers on I-95 north will be detoured to the Acosta Bridge, right on Broad Street and left on Adams Street to reconnect with I-95 north. Drivers who wish to connect with I-10 will take I-95 south to connect with I-10 (see map below).

FDOT hired Archer Western to complete this \$126 million project in fall 2021, weather and unforeseen circumstances permitting.

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting nflroads.com.

Improve Safety, Enhance Mobility, Inspire Innovation

The Florida Department of Transportation’s mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state’s environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida’s residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department’s mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
