Overnight Detour Planned for Roosevelt Boulevard

Jacksonville, Fla. – As part of the Florida Department of Transportation’s (FDOT) I-10/I-95 Interchange Improvements project, there will be a detour of northbound Roosevelt Boulevard (U.S. 17) at McDuff Avenue while crews place asphalt.

Detour: Friday, January 24 from 10 p.m. to Sunday, January 26 at 6 a.m., motorists traveling north on Roosevelt Boulevard will be detoured north on McDuff Avenue to connect with eastbound I-10. (See map below). Southbound Roosevelt Boulevard will remain open.

FDOT hired Archer Western to complete this \$126 million by spring 2021, weather and unforeseen circumstances permitting.

For more information about this project, please visit YourI10and95.com.
