### Wonderwood Connector Resurfacing Project Starts June 6

**JACKSONVILLE, Fla.** – The Florida Department of Transportation (FDOT) is scheduled to start a resurfacing project on the Wonderwood Connector (State Road 116) Monday, June 6, weather and unforeseen circumstances permitting.

The roadway improvement project along seven miles of State Road 116 from east of I-295 to west of State Road A1A includes milling and resurfacing, base work, curb and gutter, drainpipe replacement between Gately and Girvin roads, bridge approach resurfacing and pedestrian safety improvements. The \$30 million project is scheduled for completion in summer 2024.

Work will be broken down into five roadway segments with construction occurring in three phases. Work on each half-mile to five-mile segment will last approximately four to 10 months.

Drivers should expect daytime and evening lane closures during construction.

The “100 deadliest days” for teen drivers is between Memorial Day and Labor Day. During this time fatal crashes involving teenagers increases dramatically. Teenagers have a higher rate of fatal crashes, due to a lack of skills and experience. Remind your teenagers to limit passengers, obey posted speed limits, eliminate distractions, never drive impaired and always buckle up!

Stay informed about lane closures and roadwork in your area by following FDOT District 2 at [@MyFDOT\\_NEFL](https://twitter.com/MyFDOT_NEFL) on Twitter, at [MyFDOTNEFL](https://www.facebook.com/MyFDOTNEFL) on Facebook or by visiting [nflroads.com](http://nflroads.com).
