Overnight Detour Next Week for I-295 North Interchange Improvement Project

Jacksonville, Fla. – The Florida Department of Transportation will detour traffic on a portion of Cole Road Sunday, April 3 until Saturday, April 11 from 9 p.m. to 6 a.m. as part of the I-295 North interchange improvements.

As shown in map below, drivers attempting to use Cole Road between Eastport Road and New Berlin Road will be detoured onto Duval Road, Airport Road and U.S. 17.

This work is part of the I-95/I-295 North Interchange Operational Improvement project that includes a new collector-distributor system, auxiliary lanes and ramp improvements. The interchange is part of an important corridor to promote economic growth and development in the region.

FDOT selected Archer Western to complete this \$176.8 million project in summer 2021, weather and unforeseen circumstances permitting.
