Project Overview

Financial Project Number: 210230-2

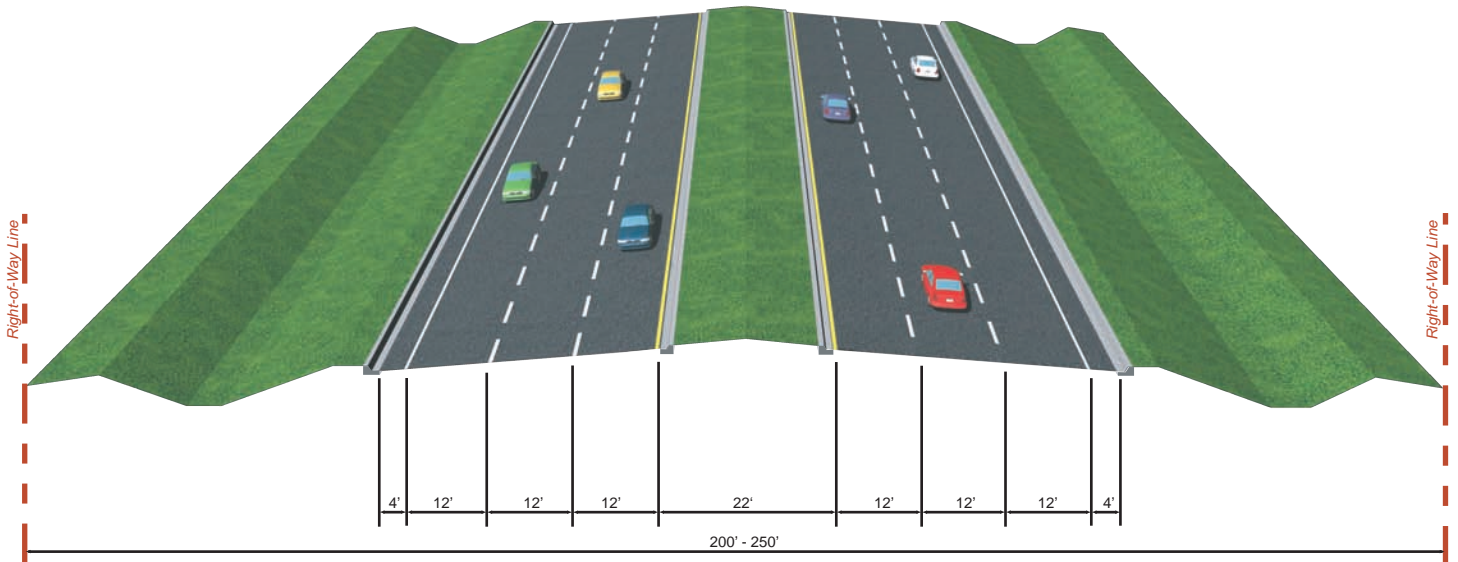

The Florida Department of Transportation is conducting a Subsequent Public Hearing to discuss proposed plans for SR 313 from SR 207 to SR 16. The proposed new construction for this segment will provide a six-lane urban roadway from SR 207 to CR 214 with a 22 foot median, curb and gutter and shoulders within 200 - 250 feet of controlled access right of way. From CR 214 to SR 16, the roadway will be a six-lane rural facility with a 40 foot median and shoulders within 250 feet of controlled access right of way.
