Email: [craig.teal@dot.state.fl.us](mailto:craig.teal@dot.state.fl.us)

The Florida Department of Transportation (FDOT) District Two welcomes you to a Public Information Meeting concerning proposed improvements to the Timucuan Trail. Also, available at tonight's meeting is information regarding the Fort George Trailhead and Batten Island wetland restoration project areas.

 Please take our customer survey for this public meeting by going online to [www.nflroads.com/surveys.htm](http://www.nflroads.com/surveys.htm) and enter code number 4084943

Project Location Map

FM# 434014-1 Timucuan Trail (A1A) from Shad Creek Bridge to Fort George Island Trailhead  
 FM# 408494-3 Timucuan Trail/Fort George Island Trailhead  
 FM# 408494-5 Batten Island Wetland Restoration

The proposed improvements include linking the Timucuan Trail from Shad Creek Bridge along Heckscher Drive (A1A) to the new Fort George Trailhead. Building a new trailhead and a new park entrance for Fort George Island to connect with Palmetto Avenue, a cul-de-sac at the end of the residential area of Fort George Road and restoring the marsh on Batten Island is also being proposed.

Project ID #:	Approximate Cost:	Construction Schedule:
FM# 434014-1	\$421,000	Spring 2015
FM# 408494-3	\$2 Million	Spring 2016
FM# 408494-5	\$1 Million	Spring 2016

Public participation at this meeting is solicited without regard to race, color, religion, sex, age, national origin, disability or family status.
