Jacksonville National Cemetery Access Road Public Hearing

Financial Project ID: 428455-1

Thursday, September 15, 2016

Open House:

4:30—6:30 PM

Presentation / Public Comment Period:

6:30 PM

Welcome to the Florida Department of Transportation's (FDOT) public hearing to discuss the proposed Jacksonville National Cemetery Access Road.

A public meeting was held in June 2011 to seek comments regarding two alignment alternatives locations and a no-build alternative. The recommended alternative tonight is based on feedback from the meeting.

FDOT's goal is to construct a new roadway that will improve access to the cemetery, reduce traffic congestion on Lannie Road, and provide a more direct route to the cemetery from the Jacksonville International Airport and I-95.

Public participation is sought without regard to race, color, religion, sex, age, national origin, disability or family status.
