Presentation &
Comment Period: 6:30 PM

Location

San Mateo Woman's
Club
125 SR-100
San Mateo, FL 32187

Welcome to the Florida Department of Transportation's (FDOT) public meeting regarding the proposed improvements to the intersection of State Road 100 at East End Road located in San Mateo, Florida.

Due to a history of severe crashes at this intersection, a study was conducted by the Department to look at possible safety improvements. The FDOT is presenting three alternatives at this meeting for your review. They are:

- 1) Standard T Intersection
- 2) Roundabout
- 3) Minor Intersection Enhancements.

FDOT remains committed to working with all project stakeholders. No final decision will be made until we hear your comments. There are many ways to provide comments.

- Give your comments/ask questions during tonight's comment period.
- Complete a comment form and drop it in the comment box provided.
- Mail, call, or email your comments to the Project Manager, Chris Rhude, at the address provided in this handout.
