

CR 220 Roadway & Bridge

The proposed project would widen CR 220 to a four-lane divided roadway (Refer to Figure 1). The proposed improvements would also add sidewalks and bicycle lanes to CR 220.

Figure 1: Proposed four-lane roadway for CR 220

The proposed project would also widen the CR 220 bridge over Little Black Creek (Refer to Figure 2). Sidewalks and bicycle lanes would also be provided on the bridge.

COUNTY ROAD 220 PUBLIC HEARING

PROJECT DEVELOPMENT & ENVIRONMENT (PD&E) STUDY

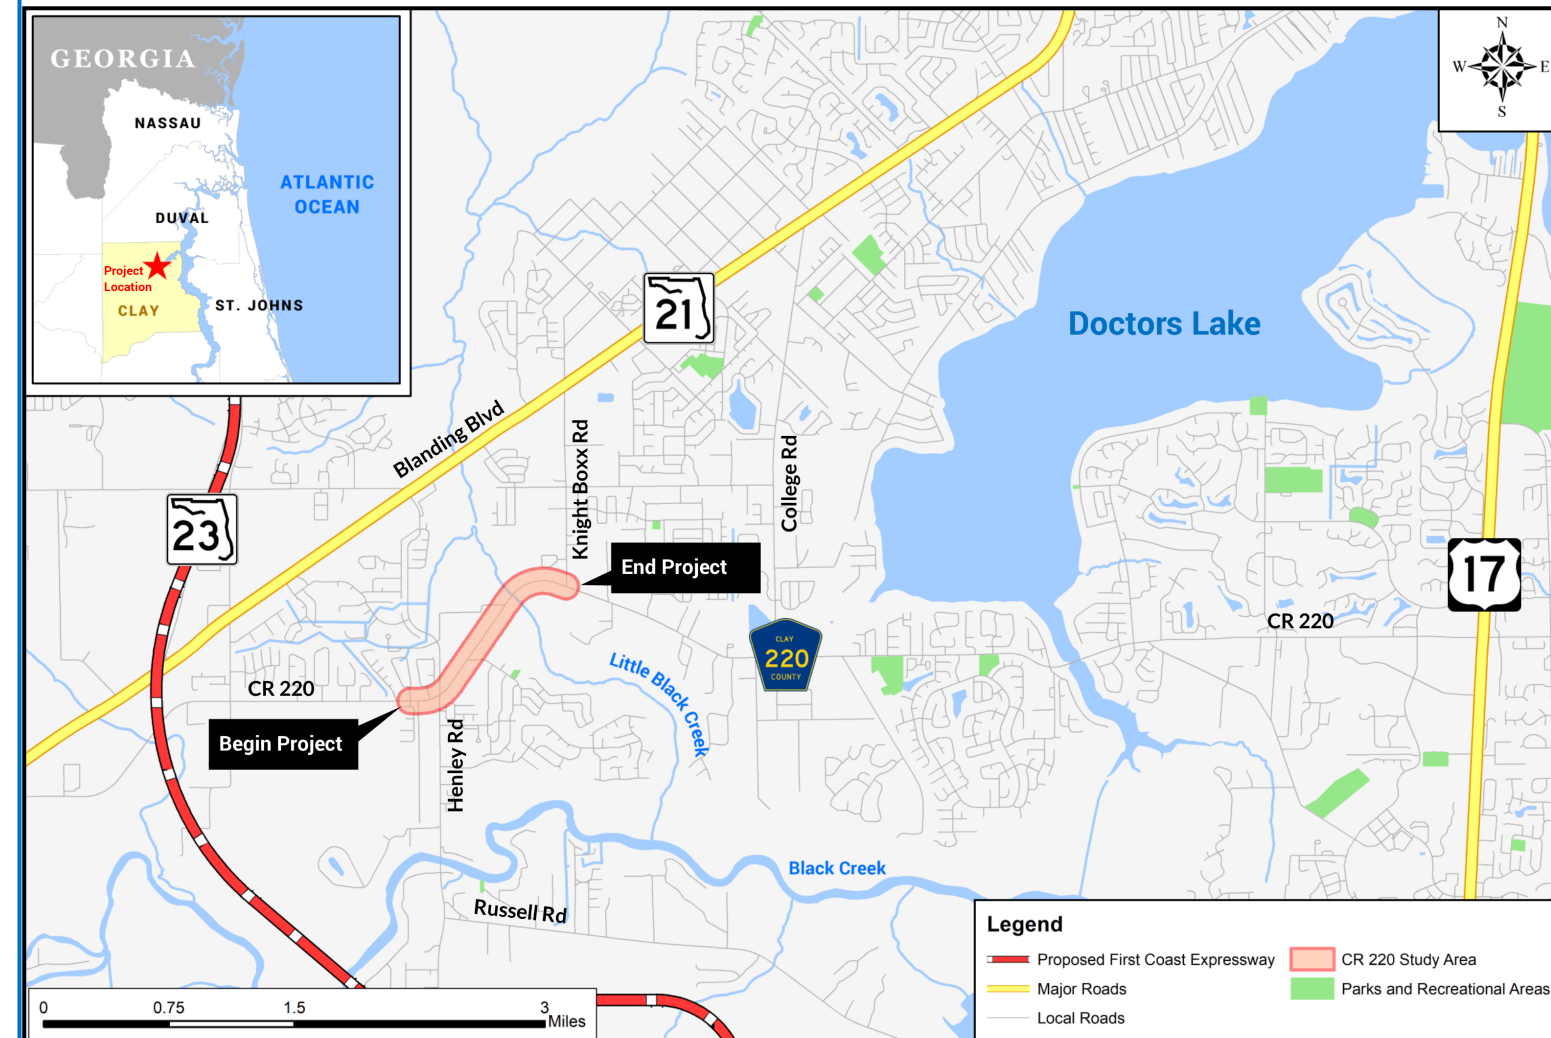

From Henley Road to Knight Boxx Road
Clay County, Florida

Public Hearing Brochure
April 30, 2018

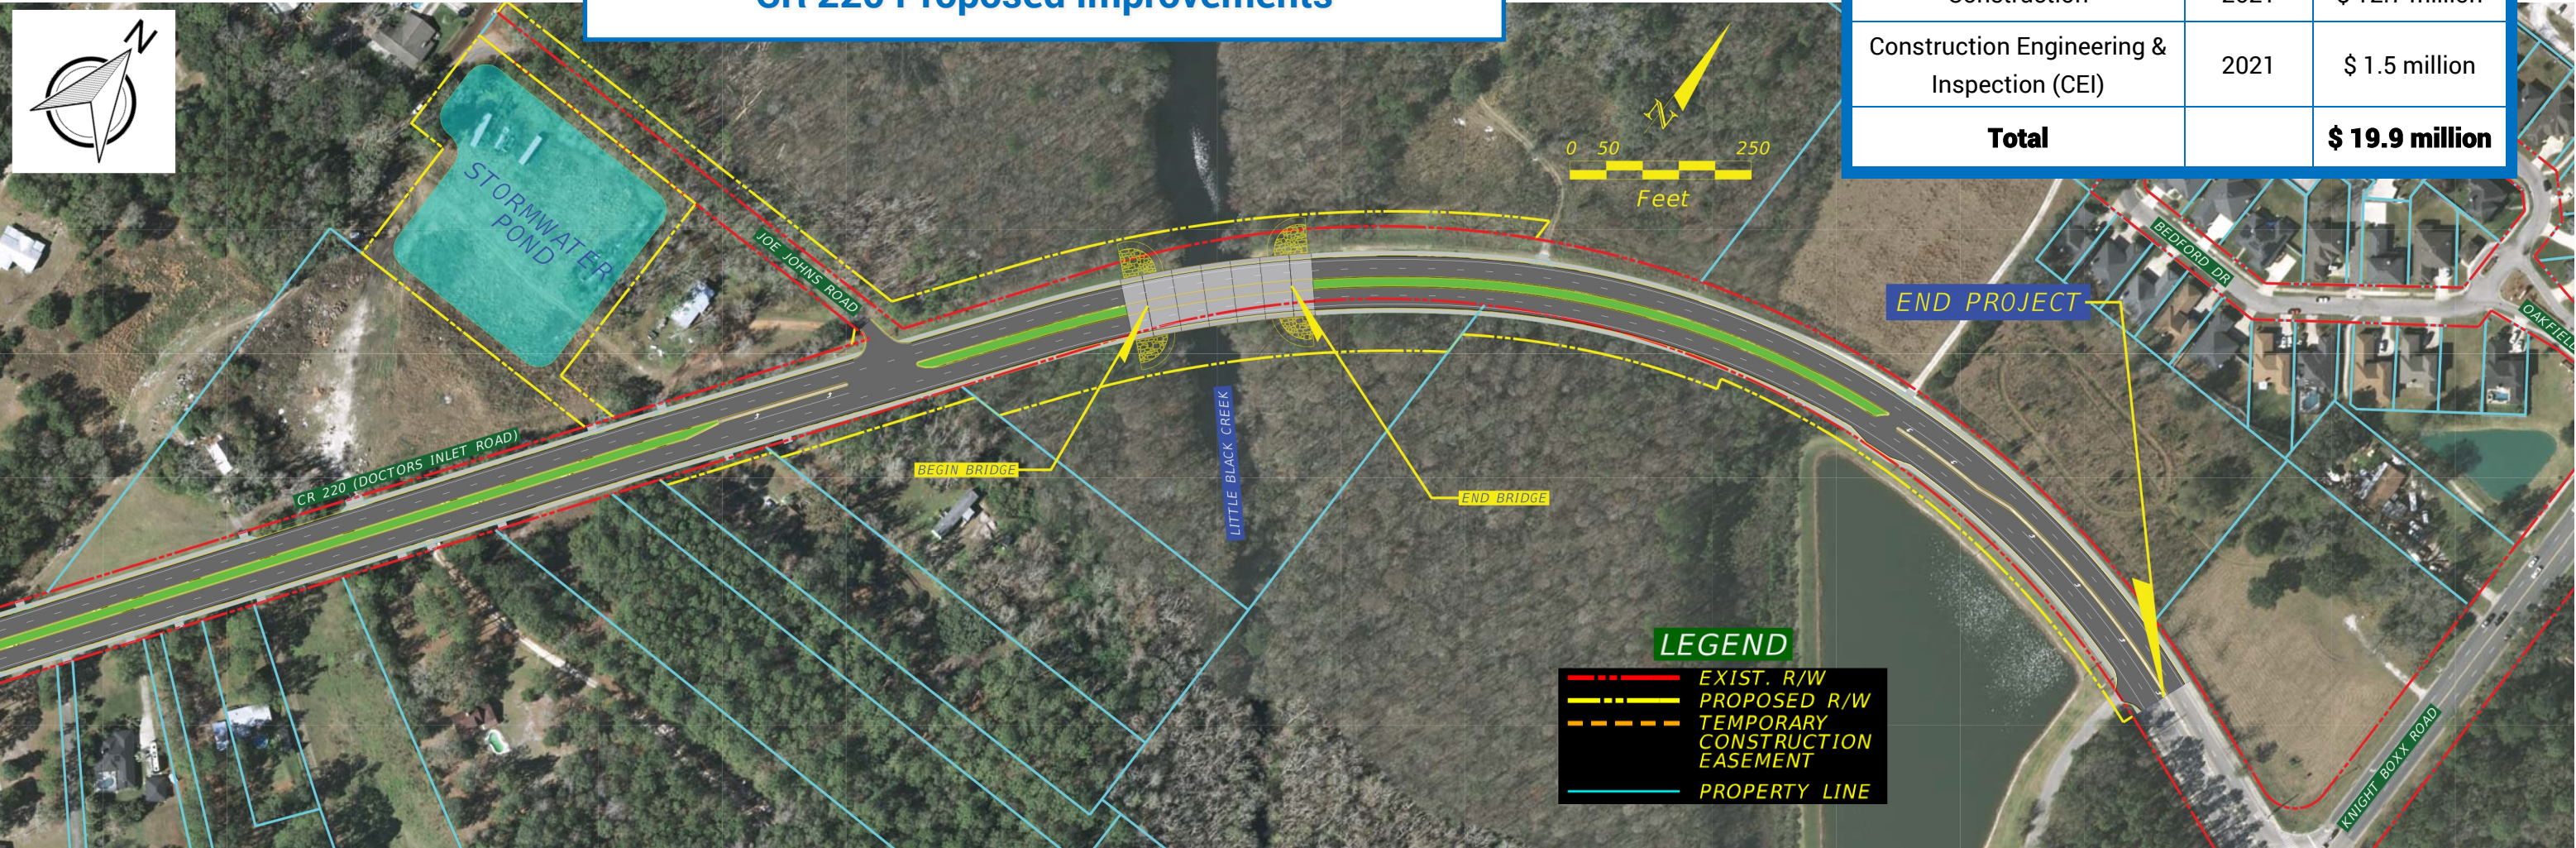

Financial Management Number: 430719-2-22-01
Efficient Transportation Decision Making Number: 14309

Welcome to the Public Hearing

The Florida Department of Transportation (FDOT), District Two welcomes you to a public hearing regarding the proposed improvements to County Road 220 from Henley Road to Knight Boxx Road in Clay County, Florida. The FDOT is conducting a Project Development and Environment (PD&E) Study to evaluate alternatives to enhance safety and provide additional capacity to meet existing and future traffic demand on CR 220. The alternatives being considered include widening CR 220 to four lanes and the No-Build (or do nothing) alternative.

To view tonight's materials online, visit our website at www.nflroads.com/CR220

CR 220 Proposed Improvements
