

CR 220 / Henley Road Quadrant Intersection Concept

The CR 220 / Henley Road Quadrant Intersection Concept would relocate the westbound left turn lanes from the CR 220 / Henley Road intersection to the CR 220 / Rideout Ferry Road intersection (shown as blue arrows) and relocate the eastbound left turn lanes to the Henley Road / Aspen Forest Drive intersection (shown as red arrows). The proposed changes would reduce the amount of time motorists have to wait at the CR 220 / Henley Road intersection.

Get Involved

We invite you to fill out a comment form and drop it in the comment box provided at tonight's meeting or mail or email your comments to the Project Manager at the address provided in this handout.

COUNTY ROAD 220 SUBSEQUENT PUBLIC HEARING

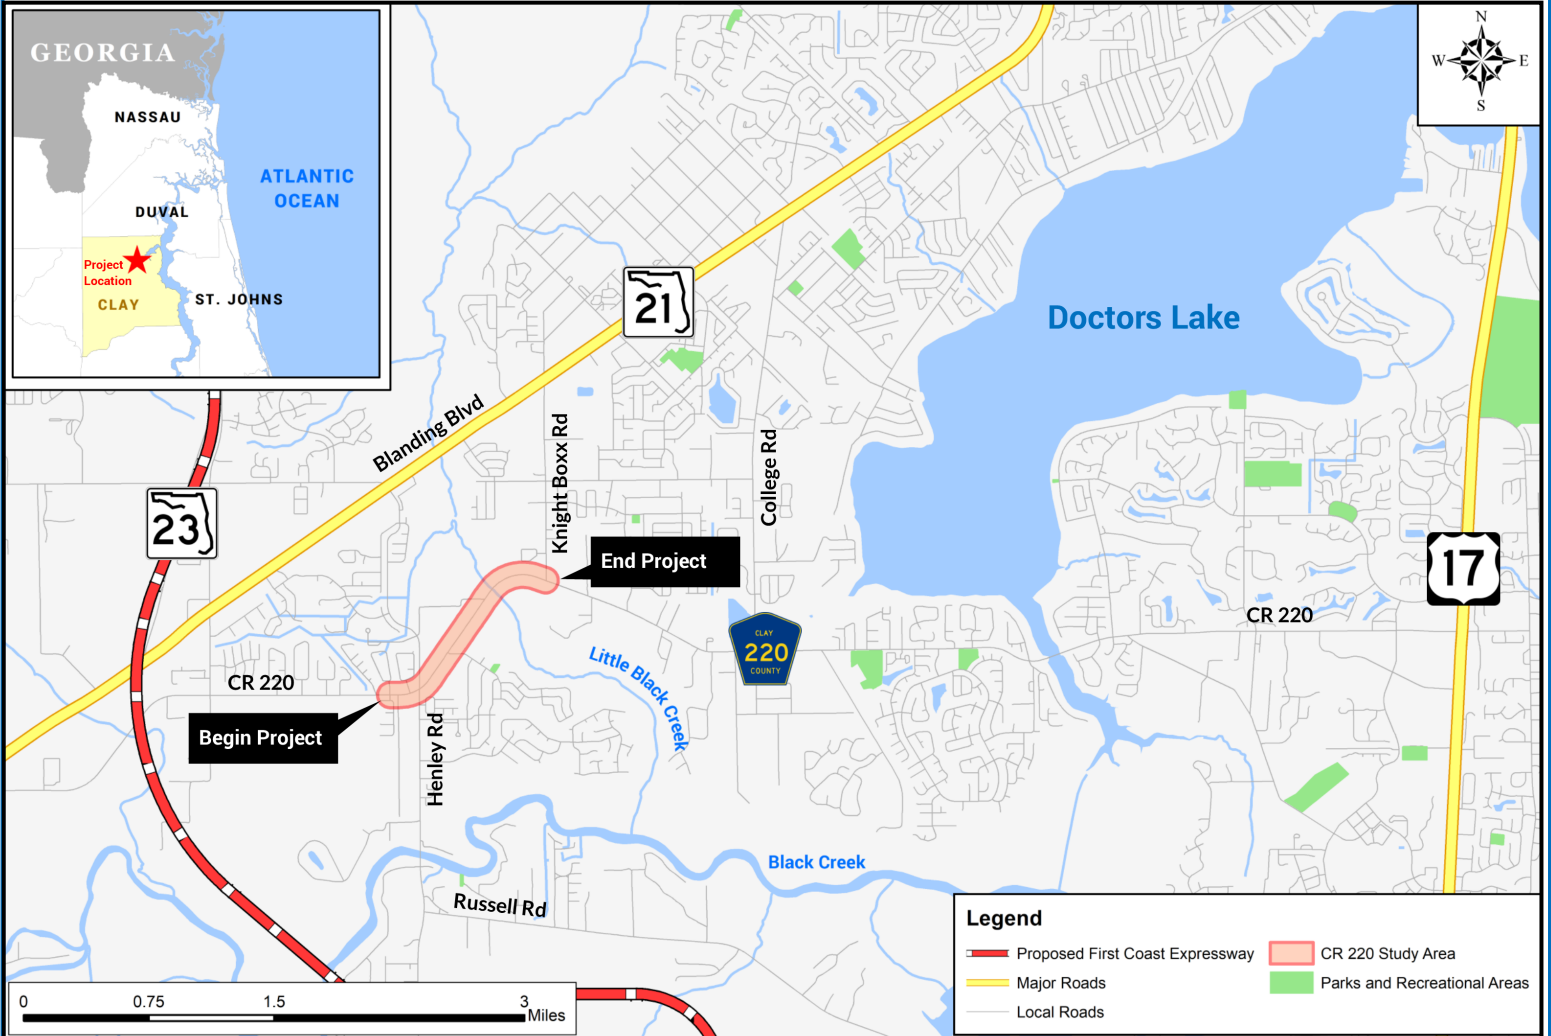

PROJECT DEVELOPMENT &
 ENVIRONMENT (PD&E) STUDY
 From Henley Road to Knight Boxx Road
 Clay County, Florida

Subsequent Public Hearing Brochure
 June 17, 2019

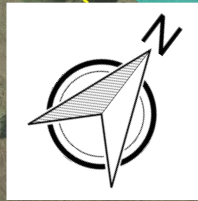

Financial Management Number: 430719-2-22-01
 Efficient Transportation Decision Making Number: 14309

Welcome to the Subsequent Public Hearing

The Florida Department of Transportation (FDOT), District Two welcomes you to a Subsequent Public Hearing regarding the proposed improvements to County Road (CR) 220 from Henley Road to Knight Boxx Road in Clay County, Florida. The FDOT is conducting a Project Development and Environment (PD&E) Study to evaluate alternatives to enhance safety and provide additional capacity to meet existing and future traffic demand on CR 220. The alternatives being considered include the No-Build (or do nothing) Alternative and Widening Alternative (widen CR 220 to four lanes). Tonight's **Subsequent Public Hearing includes changes made to the CR 220/Henley Road intersection as part of the Widening Alternative that have taken place since the April 2018 Public Hearing.** The No-Build (or do nothing) Alternative also remains under consideration.
