

# Southside Blvd (SR 115) at Deerwood Park Blvd Interchange Improvement Project

DISTRICT TWO

FIN 439468-1 & 445340-1

**Contractor: Preferred Materials • Cost: \$29 million**

**Construction Start: Late 2023 • Estimated Completion: Summer 2025**

### Project improvements include:

- Milling and resurfacing, drainage upgrades, sidewalks, crosswalks, new traffic signals and lighting.
- Enhancing traffic flow at the intersection by adding travel lanes and implementing new movements for left and right turns.
- A companion project includes milling and resurfacing Southside Boulevard from Butler Boulevard (State Road 202) to Philips Highway.

For more information, visit [NFLRoads.com](http://NFLRoads.com) or  
contact Jacob Pickering at [Jacob.Pickering@dot.state.fl.us](mailto:Jacob.Pickering@dot.state.fl.us).

Traffic will be maintained in accordance with FDOT design standards throughout the project. Motorists can expect overnight lane closures within the project limits to complete paving work. Questions regarding project details may be directed to 904-831-FDOT.
