Project documents and presentations are now available for review at nflroads.com/COH. FDOT staff and consultants will be available from 4 to 6 p.m. to answer questions about the project. There will not be a formal presentation at the open house.

ABOUT THE PROJECT

Proposed improvements include:

- Adding a northbound and southbound auxiliary lane on Southside Boulevard between Butler Boulevard (SR 202) and Gate Parkway
- Adding a third westbound to southbound left turn lane on Gate Parkway
- Adding a second northbound to eastbound right turn lane on Southside Boulevard
- Rerouting southbound to eastbound left turns from Southside Boulevard to Gate Parkway to a new signalized intersection approximately 500 feet south of Gate Parkway
- Rerouting all approaching traffic from Gate Parkway West to a new signalized intersection approximately 500 feet south of Gate Parkway
- Adjusting the phasing and cycle length of the existing traffic signal at Southside Boulevard and Gate Parkway

Watson Civil Construction Inc. was selected to complete this \$7.4 million project, which is expected to begin in summer 2021 with completion in fall 2022, weather and unforeseen circumstances permitting.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Daryl Goss at (386) 984-5392 at least seven days prior to the open house.
