Drop by anytime between 5 and 6:30 p.m. to view displays and discuss proposed modifications with FDOT and JTA staff and project consultants. A formal public comment period will begin at 6:30 p.m. For more information, contact Julian McKinley at (904) 360-5538 or julian.mckinley@dot.state.fl.us.

ABOUT THE PROJECT

Jacksonville Transportation Authority (JTA) is proposing to close a full median opening along Alta Drive and turn it into a directional median. These changes are part of a larger project that will widen Alta Drive and grant access to future developments adjacent to the Alta Drive corridor. The proposed modifications will reduce conflicts and enhance safety.

Project documents will be available for review at the public hearing and are also available for download at www.nflroads.com. Persons wishing to submit written statements or other exhibits in place of or in addition to oral statements may do so at the hearing or by sending them to Julian McKinley, 2198 Edison Avenue, Jacksonville, FL 32204. Statements postmarked on or before March 14, 2020 will become part of the public hearing record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or who require translation services (free of charge) should contact Sara Pleasants at least seven days prior to the hearing at sara.pleasants@dot.state.fl.us or (904) 831-3368.
