

Myrtle Creek Bridge Replacement Project on Heckscher Drive (State Road A1A)

DISTRICT TWO

FIN # 4340421

ATTENTION BICYCLISTS:

Heckscher Drive has been reduced to one lane over Myrtle Creek Bridge and through the construction zone.

PLEASE WAIT IN THE BICYCLE DETECTION ZONE TO BE DETECTED

- Video-detection has been installed at the temporary traffic signals to allow bicyclists to travel safely through the 2,000 foot construction zone.
- Please wait in or ride through the marked Bicycle Detection Zone box (shown above) to be detected.
- The timed signal provides bicyclists 2.26 minutes to travel at 10mph through the construction zone once detected.
- Bicyclists can ride with cars or after the last car passes. Bicyclists should always travel in the same direction as the cars.
