access code 308-222-397

The Florida Department of Transportation (FDOT) is hosting a public meeting to discuss the removal of on-street parking on U.S. 1 as part of a future resurfacing project from Ingham Road to the Georgia State Line.

The parking spaces, from south of Chapel Street to 8th Street in Hilliard, and from Yellow Oak Court to Pope Drive in Boulougne, will be re-striped as buffered bike lanes as part of the eight-mile long resurfacing project that is scheduled to begin in fall 2023.

To provide citizens an opportunity to share their input on the proposed changes, FDOT is hosting a public meeting **Thursday, September 22, 2022**, at the Hilliard First Assembly of God, 550920 U.S. 1, Hilliard, FL 32046. The meeting is also available online at nflroads.com/vph or by phone at **914-614-3221**, access code **308-222-397**.

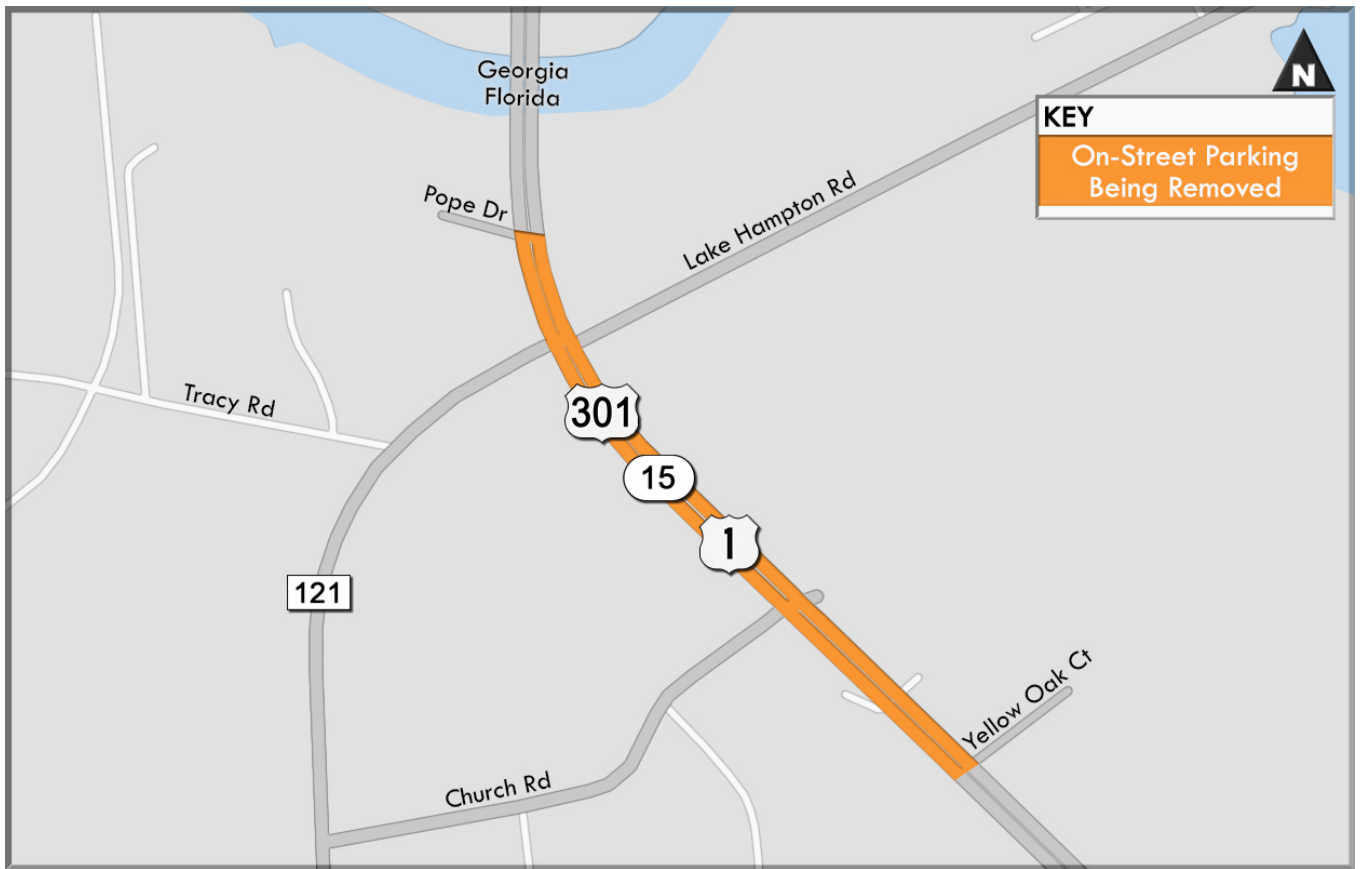

An informal open house will be held from 4 to 6 p.m., during which attendees may ask questions and discuss the project with members of the project team.

Participants wishing to submit comments regarding the removal of on-street parking may do so at the meeting via a written comment by emailing FDOT Project Manager Carlee Beauchamp at carlee.beauchamp@dot.state.fl.us or by mail at 1109 S. Marion Street, Lake City, FL 32025.

Project documents are available to view at nflroads.com/vph.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act (ADA) or require translation services (free of charge) should contact Debbie Delgado at debbie.delgado@dot.state.fl.us or at 904-831-FDOT (3368) at least seven days prior to the hearing.
