Project materials can also be accessed by scanning the QR Code below.

## WELCOME

The Florida Department of Transportation (FDOT) welcomes you to the construction open house for the U.S. 19 at SR 121 Lebanon Station Intersection Improvement Project. The project will reconfigure the intersection to improve safety while providing free-flow traffic conditions on U.S. 19. The purpose of this open house is to inform the public of the project and to offer an opportunity for the public to speak directly with FDOT staff about the project.

## PROJECT LOCATION

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

The public meeting presentation and exhibits are available for download on the project website:

[www.nflroads.com/vph](http://www.nflroads.com/vph)
