

Hybrid Public Meeting

SR A1A Trail Project Development & Environment (PD&E) Study

Limits: Magnolia Avenue to Twenty-Fourth Street

St. Johns County, Florida

Financial Management Number: 447736-1

The Florida Department of Transportation (FDOT) District 2 invites you to the Hybrid Public Meeting for the SR A1A Trail project. FDOT is conducting a Project Development & Environment (PD&E) Study to establish an alignment and document environmental considerations for a trail along 3.2 miles of SR A1A from Magnolia Avenue to Twenty-Fourth Street in St. Johns County. The purpose of this meeting is to inform the public of the proposed improvements and provide an opportunity for the public to express their opinions and concerns regarding the project.

For your convenience, there are several options to participate in the public meeting including an in-person option, a virtual/online option, and a dial in option. All participants, regardless of the platform they choose, will receive the same information on the proposed project and all comments received in-person, virtually or electronically will be given equal weight.

For more information regarding the project please visit the project website at www.nflroads.com/A1ATrail.

The materials can also be accessed by scanning the QR code to the right.

MEETING ATTENDANCE INFORMATION

IN-PERSON MEETING

Tuesday, November 28, 2023

Open House: 4:30 p.m. to 6:30 p.m.
Presentation & Public Comment Period: 6:00 p.m.
GTM Research Reserve
505 Guana River Road
Ponte Vedra Beach, FL 32082

VIRTUAL MEETING

Thursday, November 30, 2023

Open House: 5:30 p.m. to 6:00 p.m.
Presentation & Public Comment Period: 6:00 p.m.

Register at: www.nflroads.com/vph
or <https://attendee.gotowebinar.com/register/6304003073273388890>

"Listen-Only" Phone Option: 6:00 p.m.
Dial: (914) 614-3429
Audio Access Code: 537-229-719

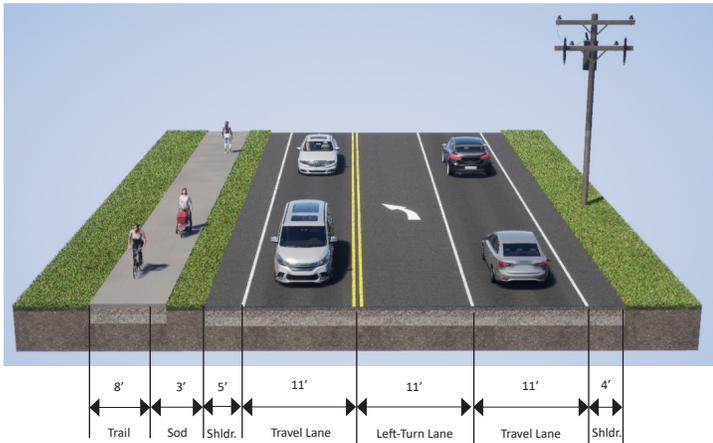

PROJECT LOCATION MAP

SR A1A Trail from East of Magnolia Avenue to Twenty-Fourth Street

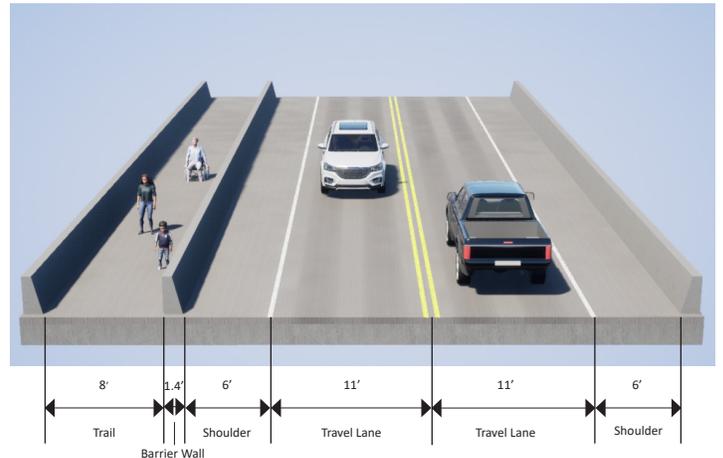

ABOUT THE PROJECT

This portion of SR A1A has a large number of pedestrians and bicyclists. Approximately 14,000 vehicles use this stretch of the road daily. Currently, there is a 5-foot sidewalk on the east-west portion of the corridor from Magnolia Avenue to Coastal Highway. North on SR A1A, from the SR A1A/Coastal Highway intersection to Twenty-Fourth Street, there are no pedestrian or separated bicycle facilities. Currently, bicyclists use the roadway shoulder to navigate the entire project area.

This project is proposing a shared-use pedestrian/bicycle trail separated from the roadway that will provide safe access through this area. The trail will provide better access to the Vilano Town Center, numerous parks, beach access points, and the City of St. Augustine. The trail will be on the north side of SR A1A from Magnolia Avenue to Coastal Highway and on the west side of SR A1A from the SR A1A/Coastal Highway intersection to Twenty-Fourth Street. Below are two examples of key areas along the corridor.

Proposed modifications near the Villages of Vilano

Proposed modifications for the bridge over Hospital Creek

ENGAGE WITH US!

After reviewing the meeting materials, and/or participating, you may submit comments in several ways:

- 1) During the virtual meeting or in-person meeting;
- 2) Via the project website at <https://nflroads.com/A1ATrail>;
- 3) Email the FDOT Project Manager Tyler Klemm, PE, at Tyler.Klemm@dot.state.fl.us; or
- 4) Mail comments to FDOT District 2 Office at 1109 S. Marion Avenue, MS 2007, Lake City, Florida 32025

While comments about the project are accepted at any time, please note that comments must be received by **December 11, 2023**, to be included in the public meeting record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Project Manager Tyler Klemm, PE, at the information provided below at least seven days prior to the meeting.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated May 26, 2022, and executed by the Federal Highway Administration and FDOT.
