

PROPOSED SCHEDULE

Section	Design	Construction
Magnolia Avenue to Intersection of Coastal Highway	Unfunded	Unfunded
Intersection of Coastal Highway to Twenty-Fourth Street <i>* Funding under project ID: 429931-2</i>	2024*	Unfunded

COST ESTIMATES

Section	Estimated Cost
Magnolia Avenue to Intersection of Coastal Highway	\$11.1M
Intersection of Coastal Highway to Twenty-Fourth Street	\$ 4.8M
TOTAL	\$15.9M

Please Note: Schedule and cost are preliminary and subject to change

ENGAGE WITH US!

After reviewing the meeting materials, and/or participating, you may submit comments in several ways:

- 1) During the virtual meeting or in-person meeting;
- 2) Via the project website at www.nflroads.com/A1ATrail;
- 3) Email the FDOT Project Manager Tyler Klemm, PE, at Tyler.Klemm@dot.state.fl.us; or
- 4) Mail comments to FDOT District 2 Office at 1109 S. Marion Avenue, MS 2007, Lake City, Florida 32025

While comments about the project are accepted at any time, please note that comments must be received by **December 11, 2023**, to be included in the public meeting record.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by FDOT pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated May 26, 2022, and executed by the Federal Highway Administration and FDOT.

SR A1A Trail Project Development & Environment (PD&E) Study

Limits: Magnolia Avenue to Twenty-Fourth Street

St. Johns County, Florida

November 2023

Financial Management Number: 447736-1

The Florida Department of Transportation (FDOT) District 2 welcomes you to the Hybrid Public Meeting for the SR A1A Trail project. FDOT is conducting a Project Development & Environment (PD&E) Study to establish an alignment and document environmental considerations for a trail along 3.2 miles of SR A1A from Magnolia Avenue to Twenty-Fourth Street in St. Johns County. The purpose of this meeting is to inform the public about the proposed project and provide an opportunity for the public to express their opinions and concerns regarding the project.

PROJECT DEVELOPMENT PHASES

The FDOT's process for delivering a transportation project through construction consists of five phases. These include Planning, PD&E, Design, Right-of-Way, and Construction. Currently, the SR A1A Trail project is in the PD&E Study phase.

Planning

PD&E Study

Design

Right-of-Way

Construction

ABOUT THE PROJECT

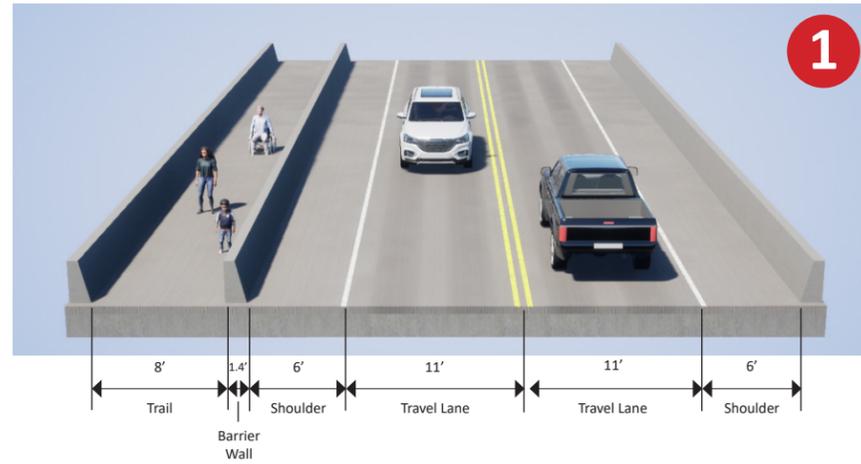

This portion of SR A1A has a large number of pedestrians and bicyclists. Approximately 14,000 vehicles use this stretch of the road daily. Currently, there is a 5-foot sidewalk on the north side of the roadway along the east-west portion of the corridor from Magnolia Avenue to Coastal Highway. North on SR A1A to Twenty-Fourth Street, there are no pedestrian facilities. Currently, bicyclists use the roadway shoulder.

This project is proposing a trail separated from the roadway that will provide safe access through this area. The trail will provide better access to the Vilano Town Center, numerous parks, beach access points, and the City of St. Augustine.

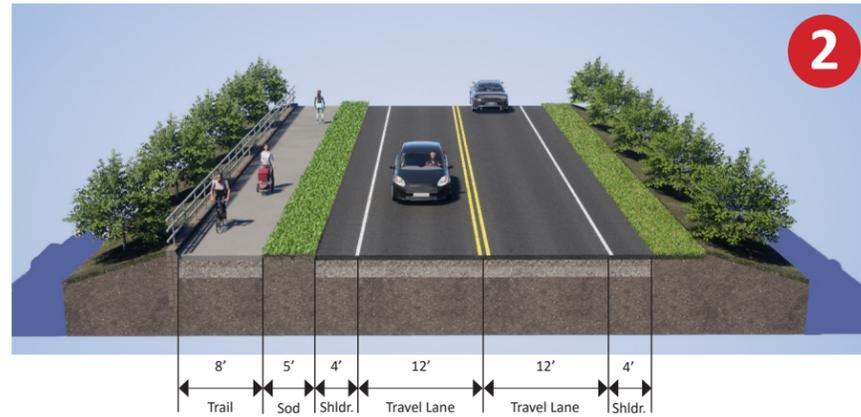

PROPOSED TYPICAL SECTIONS

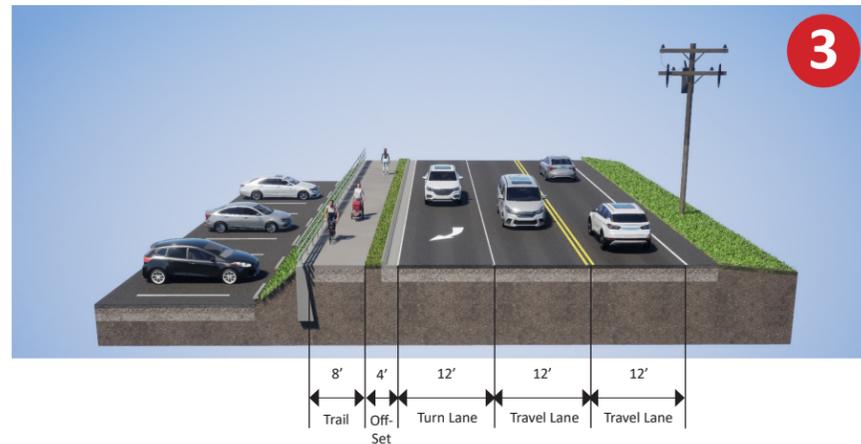

HOSPITAL CREEK BRIDGE

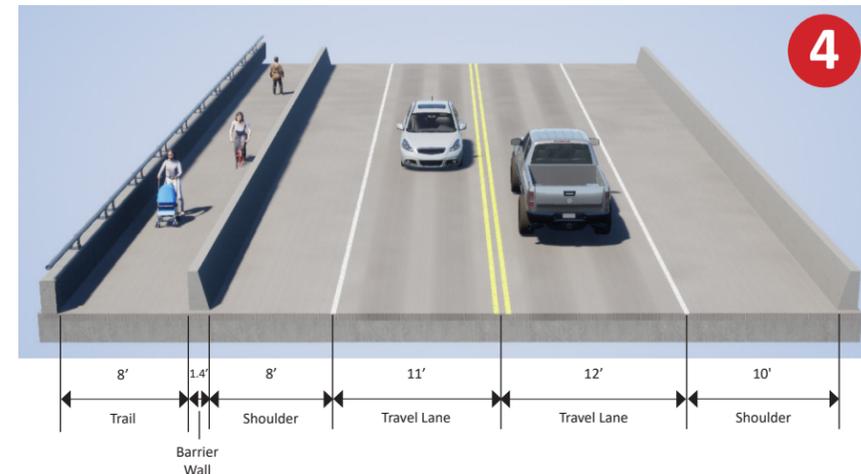

CAUSEWAY

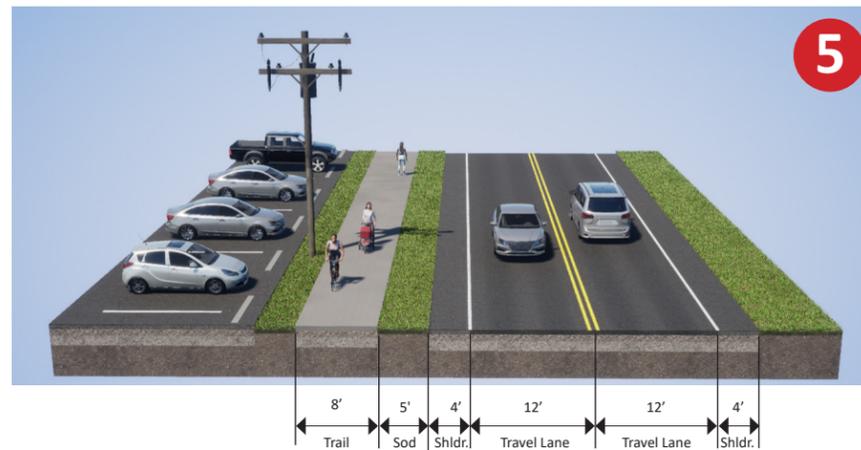

CAMACHEE COMMERCIAL CENTER

INTRACOASTAL WATERWAY BRIDGE

NEASE BEACHFRONT PARK

VILLAGES OF VILANO
