The design changes have eliminated the need for business relocations.

ACQUISITION PROCESS

The rights explained in this pamphlet are derived from Chapter 73, Florida Statutes. The relevant portions of Chapter 73 concerning the real estate acquisition process of real property are provided for your information at www.FDOT.gov.

Effective: October 13, 2017

The Florida Department of Transportation's (FDOT) mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity and preserves the quality of our environment and communities.

To accomplish our mission, sometimes it is necessary for us to acquire private property. Because you are the owner of property that will be needed for a transportation facility, we have prepared this pamphlet to briefly explain our acquisition process as well as your rights and options.

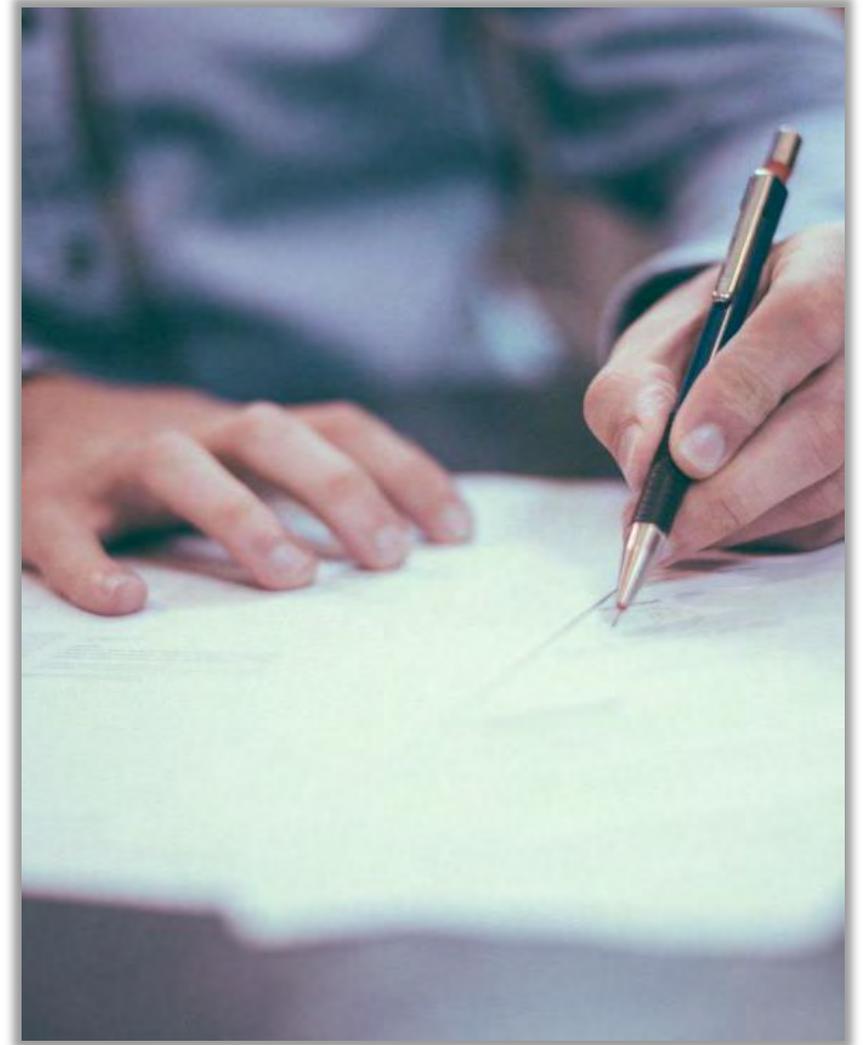

All right-of-way acquisition will be conducted in accordance with Florida Statute § 339.09 and § 421.55 and also the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, commonly known as the Uniform Act.

No Significant Impacts

- Archaeological and Historic Resources
- Wetlands
- Floodplains
- Water Quality
- Wildlife and Habitat
- Air Quality
- Contamination
- Noise

All applications for required permits will be made at the appropriate time

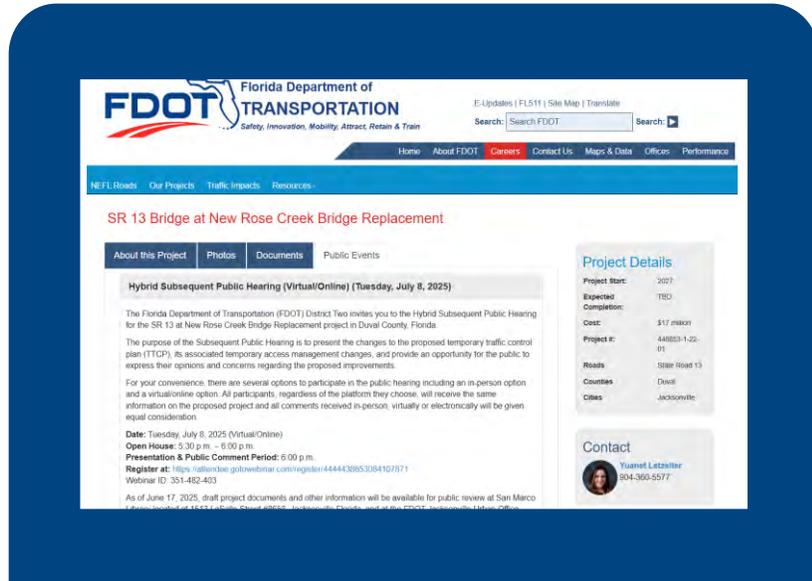

Project Schedule and Cost

Phase	Year*	Cost*
Design	On-Going	--
Right-of-Way Acquisition	2026	\$2 Million
Construction	2027	\$15 Million
	TOTAL	\$ 17 Million

SR 13 Bridge at New Rose Creek Bridge Replacement

Hybrid Subsequent Public Hearing (Virtual/Online) (Tuesday, July 8, 2025)

The Florida Department of Transportation (FDOT) District Two invites you to the Hybrid Subsequent Public Hearing for the SR 13 at New Rose Creek Bridge Replacement project in Duval County, Florida.

The purpose of the Subsequent Public Hearing is to present the changes to the proposed temporary traffic control plan (TTCP), its associated temporary access management changes, and provide an opportunity for the public to express their opinions and concerns regarding the proposed improvements.

For your convenience, there are several options to participate in the public hearing including an in-person option and a virtual/online option. All participants, regardless of the platform they choose, will receive the same information on the proposed project and all comments received in-person, virtually or electronically will be given equal consideration.

Date: Tuesday, July 8, 2025 (Virtual/Online)
Open House: 5:30 p.m. – 6:00 p.m.
Presentation & Public Comment Period: 6:00 p.m.
Register at: <https://nflroads.gov/webinar.com/register/444453953054107874>
Webinar ID: 351-482-403

As of June 17, 2025, draft project documents and other information will be available for public review at San Marco Library located at 1513 LaSalle Street #856, Jacksonville, Florida, and at the FDOT Jacksonville Urban Office located at 2198 Edison Avenue, Jacksonville, FL 32204, as well as on this project website.

After reviewing the project materials, and/or participating, you may submit comments in the following ways:

- During the comment period at the virtual hearing or in-person hearing
- Submitting a comment on this website by clicking on the contact person
- Emailing the FDOT Project Manager Yvonne Letzelter
- Mailing comments to the FDOT District 2 Office at 2198 Edison Avenue, Jacksonville, FL 32204

All comments received in-person, virtually, or electronically will be given equal consideration. While comments about the project are accepted at any time, please note that comments must be received by July 21, 2025, to be included in the public hearing record.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Yvonne Letzelter, P.E. at (904) 360-5577 at least seven (7) days prior to the hearing.

If you are hearing or speech impaired, please contact the agency using the Florida Relay Service: (800) 955-8771 or (850) 955-8770 (voice).
