District Two of the Florida Department of Transportation invites you to attend a public meeting to discuss the proposed directional median on Normandy Boulevard (State Road 228), east of Manning Cemetery Road, in Duval County. D.R. Horton has requested a permit to develop the Bridle Creek Subdivision for residential use.

To maintain safety and manage access to the proposed site, FDOT would require the developer to construct a directional median on Normandy Boulevard, east of Manning Cemetery Road. The developer would fund this construction at no cost to taxpayers.
