Proposed Median Modification on Lem Turner Road (State Road 115) at Robena Road

Jacksonville, Duval County, Florida

PROPOSED IMPROVEMENTS

The intersection currently has a full median opening on Lem Turner Road (State Road 115) at Robena Road. This configuration allows all turning movements between Lem Turner Road, Robena Road and the shopping center located east of the intersection.

FDOT proposes the following improvements:

- Directionalize the existing median opening at Lem Turner Road and Robena Road.
 - The current full median opening will be modified to allow only northbound and southbound left turns onto Robena Road and the shopping center, respectively.
 - Drivers will no longer be able to make left turns or through movements from the side streets.
- Construct a new southbound left-turn lane and U-turn loop on Lem Turner Road to accommodate drivers traveling eastbound on Robena Road who wish to travel north on Lem Turner Road.

(See reverse side for image illustrating these changes)
