District Two of the Florida Department of Transportation invites you to attend a public meeting to discuss a proposed median modification at the intersection of Lem Turner Road (State Road 115) and Robena Road, in Duval County.

FDOT proposes the following improvements:

- Directionalize the existing median opening at State Road 115 (Lem Turner Road) and Robena Road.
  - The current full median opening will be modified to allow only northbound and southbound left turns onto Robena Road and the shopping center, respectively.
  - Drivers will no longer be able to make left turns or through movements from the side streets.
- Construct a new southbound left-turn lane and U-turn loop on State Road 115 to accommodate drivers traveling eastbound on Robena Road who wish to travel north on State Road 115.
