Welcome!

Thank you for participating in FDOT's construction open house for the Atlantic Avenue (State Road A1A/State Road 200/Jimmy Buffett Memorial Highway) from Centre Street to South Fletcher Avenue resurfacing improvements project.

Atlantic Avenue (State Road A1A/State Road 200/Jimmy Buffett Memorial Highway) from Centre Street to South Fletcher Avenue

Fernandina Beach, Florida
Nassau County
Sept. 24, 2026
FIN #210679-2

Florida Department of Transportation
Title VI

Public participation at this Open House is encouraged and solicited without regard to race, color, national origin, age, sex, religion, disability, or family status.

FDOT staff is available online today anytime between 4:30 and 6:30 p.m. to answer your questions regarding the resurfacing improvements project.

Project Overview

Project type:
Resurfacing/Drainage Infrastructure

Start date:
Fall 2026*

Estimated Completion:
Late 2027*

Cost:
$5 million

*Details subject to change

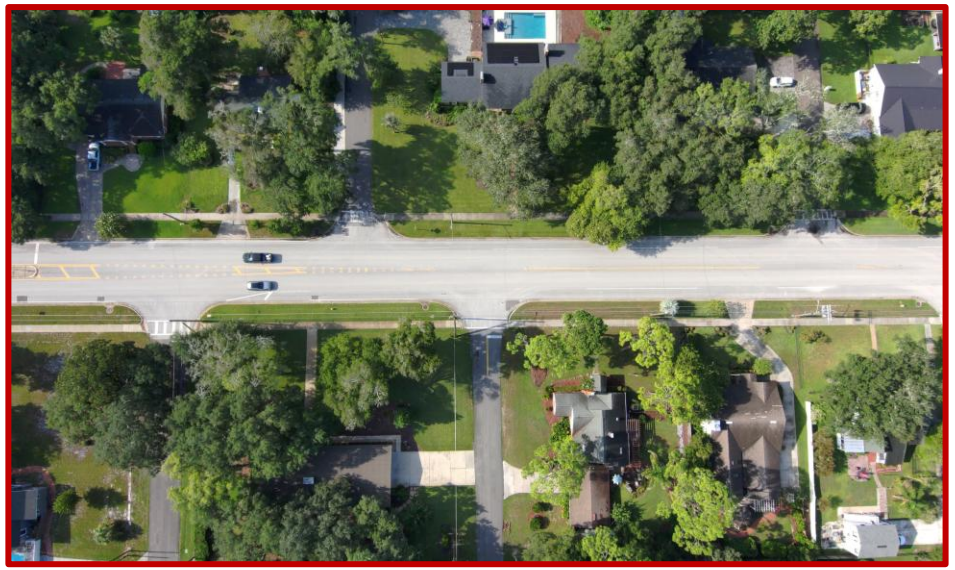

Project Objectives

- Enhance safety and mobility for all users of the 1.62-mile corridor
- Improve drainage
- Increase infrastructure resilience
- Preserve the aesthetics of the historic community

Roadway Improvements

- Mill and resurface Atlantic Avenue from Centre Street to South Fletcher Avenue
- Rehabilitate drainage infrastructure
- Install eastbound and westbound bicycle lanes from 15th Street to Jean LaFitte Boulevard

- Replace signage and pavement markings
- Replace curbs and rehabilitate curb ramps

Project Construction

- Construction is expected to occur during daylight hours.
- Lane closures will not occur between 6:30 and 8:30 a.m. Monday to Friday.
- FDOT's lane closure report is updated weekly at www.nflroads.com/trafficreport.

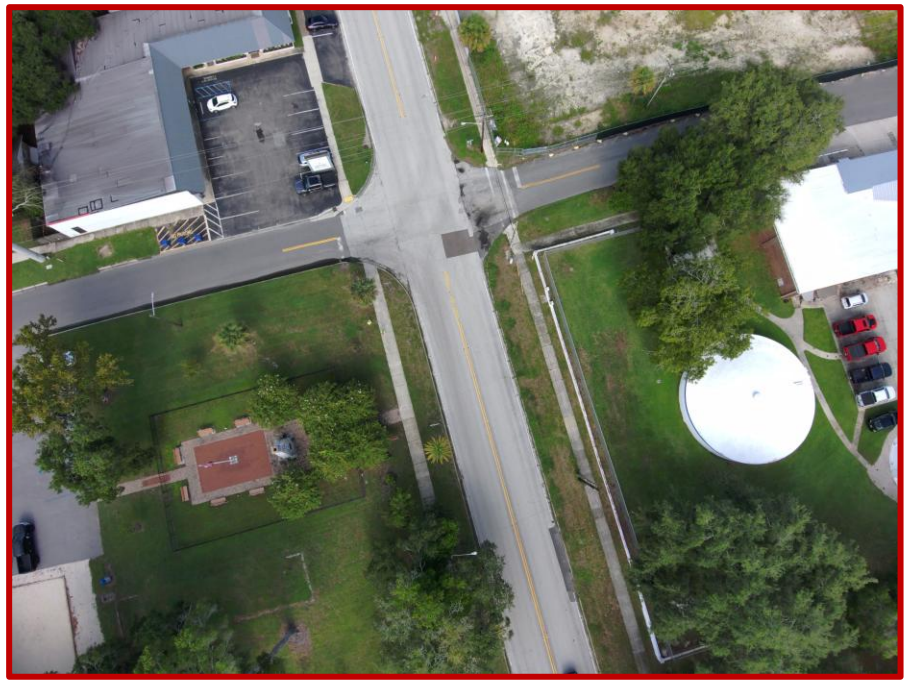

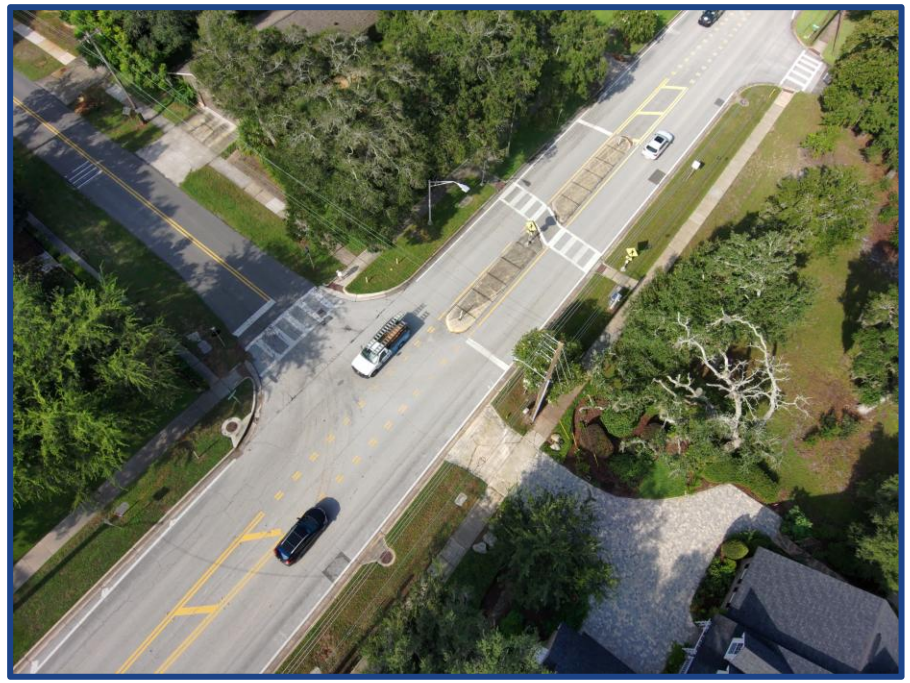

Project Construction

- Temporary detours are expected at locations throughout the project.
- Detours will be announced via news releases, FDOT District Two social media channels, and FDOT's weekly lane closure report at www.nflroads.com/trafficreport.
- Crosswalks and mid-block pedestrian crossings will be utilized as pedestrian detours.

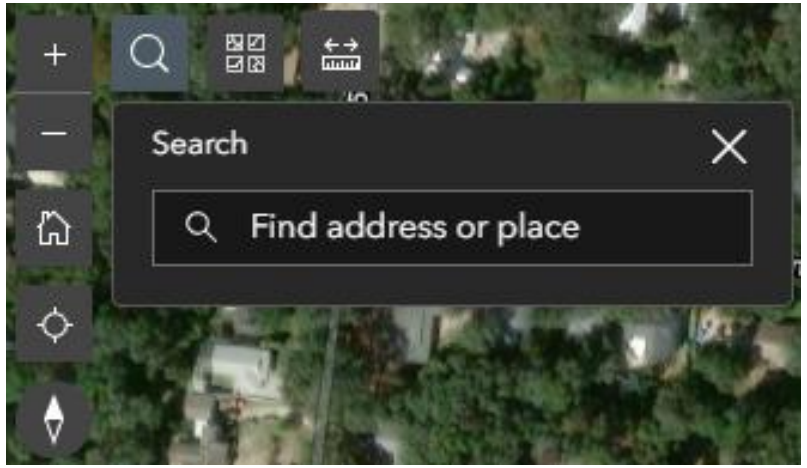

Location Search Tool

- Use your smart phone to scan the QR code.

- To view the project improvements at a specific location, click the magnifying glass in the top left corner and enter an address in the search bar.

Drivers seeking real-time traffic alerts are encouraged to visit www.FL511.com or download the FL511 app prior to their journey.

Thank you for joining us today.
