PUBLIC MEETING

Southside Boulevard from Touchton Road to Cargal Street Intersection Improvements

Jacksonville, Duval County, Florida

VIRTUAL MEETING

OCT. 28, 2026

Register:

www.nflroads.com/virtualmeetings

Open House: 4:30 to 5:30 p.m.

Presentation: Begins at 5:30 p.m.

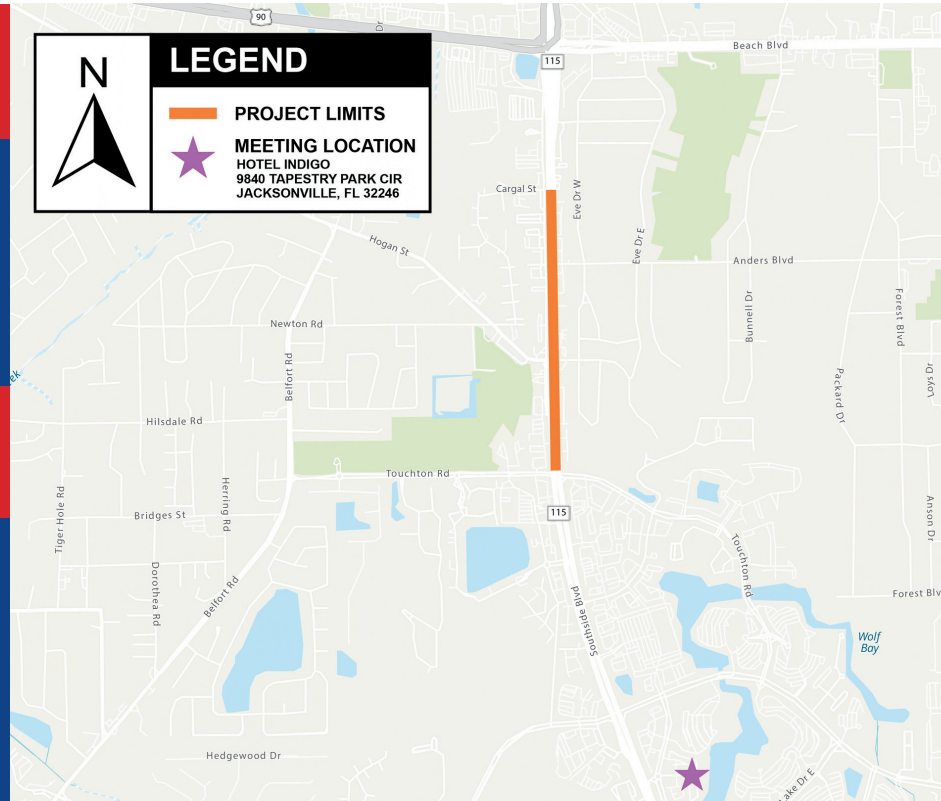

IN-PERSON MEETING

OCT. 29, 2026

Hotel Indigo-Deerwood Park
9840 Tapestry Park Circle
Jacksonville, FL 32246

Open House: 4:30 to 6 p.m.

Presentation: Begins at 6 p.m.

This project proposes improvements to Southside Boulevard (State Road 115) between Touchton Road and Cargal Street to enhance the flow of traffic and improve safety for motorists and other vulnerable users of the corridor. These proposed improvements are part of a larger project to resurface Southside Boulevard and the service road from south of Butler Boulevard (State Road 202) to Beach Boulevard (State Road 212).

FDOT proposes the following intersection improvements:

Southside Boulevard at Touchton Road

- Constructing a new signalized U-turn intersection on Southside Boulevard, 600 feet north of the existing Touchton Road signalized intersection, including a turn lane for the U-turn movement.
- Rerouting westbound Touchton Road through and left turning traffic to utilize the new signalized U-turn intersection north of Touchton Road.
- Adding a signalized pedestrian crosswalk to the south leg of the Touchton Road intersection, as well as pedestrian refuge areas. All crosswalks will receive high emphasis pavement markings to improve safety for pedestrians.

Southside Boulevard at Hogan Road

- Installing a new traffic signal at the existing, unsignalized service road intersection, approximately 800 feet south of Hogan Road. All eastbound Hogan Road motorists will be rerouted to this intersection.
- Changing traffic direction for Southside Service Road south of Hogan Road. The two travel lanes will become one-way, southbound only, for motorists.
- Rerouting motorists in the right-turn lane from southbound Southside Boulevard to Hogan Road. Motorists must access westbound Hogan Road from the Southside Service Road.
- Rerouting access to Southside Service Road for northbound Southside Boulevard motorists. Motorists will need to continue to traffic signal at Hogan Road to access Southside Service Road south of Hogan Road.
- Adding a truck apron to the Hogan Road and Southside Service Road intersection.
- Upgrading signalized pedestrian crosswalk pavement markings to high emphasis.

FIN 209664-4

PUBLIC MEETING

**Southside Boulevard from Touchton Road
to Cargal Street Intersection Improvements**

Jacksonville, Duval County, Florida

Southside Boulevard at Anders Boulevard

- Modifying the median opening on Southside Boulevard at Anders Boulevard. Only northbound and southbound left turns onto Anders Boulevard from Southside Boulevard will be accommodated.
- Rerouting motorists from Anders Boulevard and Southside Service Road to right turns only with the ability to make a U-turn at Hogan Road or Cargal Street.

Southside Boulevard at Cargal Street

- Adding signalized pedestrian crosswalks with high emphasis pavement markings on west, north and east legs of this intersection.

Comments

Comments may be submitted during the virtual meeting or in-person meeting, via the project website at www.nflroads.com/virtualmeetings, or by contacting Yuanet Letzelter at (904) 360-5577 or Yuanet.Letzelter@dot.state.fl.us. While comments about the project are accepted at any time, please note that comments must be received by **Nov. 9, 2026** to be included in the official meeting record.

Title VI

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. People who require special accommodations under the Americans with Disabilities Act or who require translation services (free of charge) should contact Tegan Copeland, PIO, at (904) 438-7751 or email Tegan.Copeland@dot.state.fl.us at least seven days prior to the hearing. The environmental review, consultation and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Florida Department of Transportation (FDOT) pursuant to 23 U.S.C. §327 and a Memorandum of Understanding dated May 26, 2022, and executed by the Federal Highway Administration and FDOT.
